

COUNT ON ME SINGAPORE

We have a vision for tomorrow, just believe, just believe
We have a goal for Singapore, we can achieve, we can achieve
You and me, we'll do our part, stand together, heart to heart
We're going to show the world what Singapore can be
We can achieve, we can achieve

There is something down the road that we can strive for
We are told no dream's too bold that we can't try for
There's a spirit in the air, it's a feeling we all share
We're going to build a better life, for you and me
We can achieve, we can achieve

Count on me Singapore, count on me to give my best and more
You and me, we'll do our part, stand together, heart to heart
We're going to show the world what Singapore can be
We can achieve, we can achieve

Chorus:

Count on me Singapore, Count on me Singapore
Count on me to give my best and more, count on me Singapore

(Repeat Chorus)

Together Singapore Singapore (x2)

ONE PEOPLE, ONE NATION, ONE SINGAPORE

We've built a nation with our hands
The toil of people from a dozen lands
Strangers when we first began, now we're Singaporean
Let's reach out for Singapore, join our hands forevermore

Chorus:

One people, one nation, one Singapore
That's the way that we will be forevermore
Every creed and every race, has its role and has its place
One people, one nation, one Singapore

And when the time comes for the test
Our vigilance will never rest
We'll be united, hand in hand
We'll show the world just where we stand
And reach out for Singapore, join our hands forevermore

Repeat Chorus twice

One people, one nation, one Singapore

WE ARE SINGAPORE

There was a time when people
said that Singapore won't make it,
but we did
There was a time when troubles
seemed too much for us to take,
but we did
We built a nation, strong and free
Reaching out together
For peace and harmony

Chorus 1:

This is my country, this is my flag
This is my future, this is my life
This is my family, these are my
friends
We are Singapore, Singaporeans

Singapore our homeland,
it's here that we belong
All of us united,
one people marching on
We've come so far together,
our common destiny
Singapore forever,
a nation strong and free

Bridge:

We the citizens of Singapore
Pledge ourselves as one united
people
Regardless of race, language or
religion
To build a democratic society
Based on justice and equality
So as to achieve happiness
Prosperity and progress for our
nation

Chorus 2:

We are Singapore,
we are Singapore
We will stand together,
hear the lion roar
We are Singapore,
we are Singapore
We're a nation strong and free
forevermore

Repeat Chorus 1 & 2

We are Singapore, Singaporeans

OUR SINGAPORE

It isn't easy building something out of nothing
Especially when the road ahead's a rocky one
But if we gather all our courage and conviction
And hold our dream up high, the challenge will be won

Chorus:

So now we look around us and we see
A nation built with love by you and me
A land to treasure right down to the core
Our home, our heart, our Singapore
Oh-oh-oh-oh-oh-oh-oh, oh-oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh
Our home, our heart, our Singapore

Through many years gone by, we've moved ahead together
We've built a brave new world where we could shine and grow
And now we only have to look towards tomorrow
To carry on the dream as far as it will go

Repeat Chorus

Bridge:

And amazing as it seems
It all started with a dream
And our dreaming isn't done
'Cause the best is yet to come

Repeat Chorus

Last line: Our home, our heart, our dream, our Singapore

WE WILL GET THERE

Remember the days, we set out
together with faith?
Remember the times, so fine,
when we thought that
Nothing could stand in our way?

Then things weren't the same, the
life that we knew had to change
We've struggled through,
the darkest storms
We thought we couldn't tame

Together we've tried,
as we stood side by side
I knew we'd build a new world
A world of hope for ever after

Chorus:

Deep in my heart I just know
Right from the start, we will grow
Look where we are,
we've come so far
And there's still a
long, long way to go

With all of my heart, I will care
I'll play my part, I will share
With family and friends,
together we'll stand
And in the end, hand in hand
We will get there

So now we begin,
working together to win
Believing in trust, it must
Be possible to overcome
anything

There's so much to do, there's so
much we can contribute
By sharing just a little love
We will start again anew

So why don't we try?
If we stand side by side
I know we'll build a new world
A world of hope for ever after

Repeat Chorus x2

FIVE STARS ARISING

There's a new moon arising
Out of the stormy sea
Youthful and bright and bearing hope
And tranquil as can be
Reach out for the moon above
Savour freedom, truth and love
There's a new moon arising
Out of the stormy sea

There are five stars arising,
Out of the stormy sea
Each is a lamp to guide our way;
A lamp for all to see
Reach out for the stars above
Savour freedom, truth and love
There are five stars arising
Out of the stormy sea

There's a new flag arising
Out of the stormy sea
Crimson as the blood of all mankind
Yet white and pure and free
Reach out for the flag above
Savour freedom, truth and love
There's a new flag arising
Happy and proud are we

STAND UP FOR SINGAPORE

Stand up for Singapore, do the best you can
Reach out for your fellow man,
You've got to make a stand
Recognise you can play your part
Let it come right from your heart
Be prepared to give a little more
Stand up, stand up for Singapore

Stand up for Singapore, do it with a smile
If you stand up for Singapore
You'll find it all worthwhile
Believe in yourself, you've got something to share
So show us all you really care
Be prepared to give a little more
Stand up, stand up for Singapore

Singapore our home and nation
Together with determination
Join in like we've never done before
Stand up, stand up for Singapore (x 3)

SONG FOR SINGAPORE

It's a brand new day, a brand new story
I remembered the way it used to be
We've come so far
You're my history, you're my beginning
In all I've done I've been nurtured in your arms
And you carried me this far

Chorus:

I want to sing, sing a song for Singapore
With every generation there's more to be grateful for
So come and sing, sing a song for Singapore
You're my brother, you're my sister
I'm thankful for my Singapore
My Singapore, Singapore

Come together everybody
Fly the flag and share our story
Live our wildest dreams
Celebrate the red and white
The moon and stars in harmony unite
Let every colour, every heart

Chorus

We've had our ups and downs
Sometimes the best things are taken for granted
You're my family, you're my home

Chorus

Music & Lyrics by Corrinne May

HOME

Whenever I am feeling low
I look around me and I know
There's a place that will stay within me
Wherever I may choose to go
I will always recall the city
Know every street and shore
Sail down that river which brings us life
Winding through my Singapore

Chorus:
This is home, truly
Where I know I must be
Where my dreams wait for me
Where that river always flows
This is home, surely
As my senses tell me
This is where I won't be alone
For this is where I know it's home.

When there are troubles to go through
I look around and start anew
For there's comfort in the knowledge
That home's about its people too
So we'll build our dreams together
Just like we've done before
Just like that river which brings us life
There'll always be Singapore
